--

**Supplemental Form for the Application for Investment Promotion
Under the Measures to Promote R&D Collaboration
Between the Industrial Sector and Academic Institutes**

1. I, Mr./Mrs./Miss

.....
on behalf of Company/Cooperative/Foundation,
hereby request privileges granted under the **Measures to Promote R&D
Collaboration Between the Industrial Sector and Academic Institutes** for
activities under category

2. As regards the condition that the number of shares held by Thai nationals may not be less than 51 percent of the registered capital,

Thai shareholdings % Foreign shareholdings%

3. As regards the condition that the application for promotion must be made for an existing activity with an R&D plan attached to it; and that this project, for which application for investment promotion is made, must bear a testimonial certified by the collaborating research or academic institute, for submission to the Office of the Board of Investment as a supplemental document for requesting to exercise the juristic income tax exemption privilege. (Please tick the appropriate box.)

- 3.1 Having a testimonial that has been certified by a research or academic institute
Document reference number.....dated.....
Certified by (name of certifying agency)

(Please attach a copy of the testimonial, certified by the collaborating research or academic institute.)

- 3.2 Not having been certified by a research or academic institute.

4. I have fully and correctly provided the details of the activities/project being implemented in the “Application for Investment Promotion” (Form F PA PP 01-04).

5. I have enclosed a detailed R&D plan, which contains the following essential information.

- 5.1 Name of the R&D project
- 5.2 Objectives of the operation and the scope of support to be provided to the research or academic institute
- 5.3 Sources of knowledge and previous achievements
- 5.4 Research work to be undertaken
- 5.5 Personnel (with attachments describing R&D experience of the Project Leader, Researchers and Advisors to the research project)

- 5.6 Names of research or academic institutes participating in the research
- 5.7 Machinery, equipment, and apparatus to be used at each stage of implementation, along with the specifications and estimated value of each item
- 5.8 Raw materials and essential materials requirements
- 5.9 Implementation stages and timeframes (Action Plan)
- 5.10 Estimate of investment funds/expenses to be incurred throughout the project duration
- 5.11 A plan and budget for supporting the research or academic institute
- 5.12 Expected results
- 5.13 An environmental protection plan
- 5.14 Relationship between the R&D project and the product manufacturing project

6. A summary of total investment funds and R&D expenses during the period of the income tax exemption (3 years) compared with the sales estimates for the first three years (only for that which is under this project)

Unit: thousand Baht

	Year 1	Year 2	Year 3	Total
6.1 Sales estimates during the first 3 years (from the date of income generation after receipt of the promotion certificate)	----	----	----	----
6.2 Total R&D expenses during the income tax exemption period (exemption applies to income generated under the promoted project, with the exemption period starting from the first date income is generated after receipt of the promotion certificate)				
6.3 Total R&D expenses as a percentage of the sales volume for the first three years				

I hereby certify that all documentation and details relating to the R&D plan have been correctly and fully attached to the 'Application for Investment Promotion', with essential information provided in items 5.1 through 5.14.
