Announcement of the Office of the Board of Investment
No. Por 3/2544

Permission for the private sector to assist in the inspection of raw materials that are lost in production processes or that are below standard quality, and to assist in certifying exports.

Pursuant to Board of Investment Announcement No. 20/2535, signed on September 14, 1992, regarding the invitation for the private sector to assist in the inspection of raw materials that are lost in production processes or that are below standard quality, and to assist in certifying exports,

The Office of the Board of Investment has considered granting permission to one additional company, namely SGS (Thailand) Co. Ltd., to assist the work of the Office of the Board of Investment as follows:

1. The inspection and issuance of certification quality concerning raw materials that are lost in the production process or that are below standard, and reporting to the Office of the Board of Investment for consideration to grant approval.
2. The inspection and issuance of certification to certify exports of products, in order that this certification may be used for consideration by the Office of the Board of Investment in place of export documents. The certification shall be issued when the products have left the areas under the jurisdiction of Thai ports.

Announced on May 22, 2001

(Mr. Staporn Kavitanon)
Secretary General of the Board of Investment
