Note: 1) Foreign direct investment (FDI) data reported by the Board of Investment (BOI) are based on the following new definition:

- For "total foreign investment" statistics, FDI value is derived from total investment of all projects which have foreign equity participation

(shown by registered capital amount) of one particular nation or the sum of all foreign registered capital from more than two nations of at least 10%.

- For "foreign investment of each country", FDI value is derived from total investment of projects which have foreign equity participation of that particular nation of at least 10%.

2) Investment projects with foreign equity participation from more than one country are reported in the figures for each country.

3) Net application statistics do not include those applications that are returned to applicants

4) Since 2013, EU comprises of 28 countries.
