Section 2: Mineral, Ceramics and Basic Metals

	Activities	Conditions	Incentives
2.1	Prospecting of minerals	1. Prospecting licenses (Prospecting	B1
		Atchaybat: PA or Exclusive	
		Prospecting Atchayabat :EPA or	
		Special Atchayabat: SA) must be	
		obtained prior to submission of	
		investment promotion application	
2.2	Potash mining and/or dressing	2. Not eligible for merit-based incentives Mining licenses (Prathanabat) or Mining	B1
2.2	1 otasii illilling and/or dressing	sublease licenses must be obtained prior	Di
		to submission of investment promotion	
		application	
2.3	Manufacture of advanced or nano	Projects must be approved by the	
	materials or products produced	National Science and Technology	
	from advanced or nano materials	Development Agency (NSTDA)	
	2.3.1 Manufacture of		A2
	Advanced or Nano		
	Materials or products		
	produced from Advanced		
	or Nano Materials with		
	continue manufacturing		
	process from Advanced or Nano Materials within		
	the same project 2.3.2 Manufacture of Products		A3
	produced from Advanced		AS
	or Nano Materials		
2.4	Manufacture of glass or ceramic		
	products		
	2.4.1 Manufacture of Special	Project must have melting and/or	A3
	Quality Glass Products	annealing process	
	2.4.2 Manufacture of Glass	Project must have melting and/or	B1
	Products	annealing process	
	2.4.2 Manufacture CC	Duois et manet harra Cinina a	D 1
	2.4.3 Manufacture of Ceramic	Project must have firing process	B1
	Products (except Earthen Ware and Ceramic Tiles)		
2.5	Manufacture of fire-resistant	Not eligible for merit-based incentives	B2
2.5	materials or heat insulation	140t engible for ment-based incentives	D2
	(except aerated, and lightweight		
	brick)		
2.6	Manufacture of gypsum board or	Not eligible for merit-based incentives	B2
	gypsum products	6 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 -	
27	Manufacture of up-stream steel,		A2
2.7	i.e. Hot Metal, Pig Iron, Sponge		Λ2
	Iron, Direct Reduction Iron: DRI)		
	and Hot Briquetted Iron (HBI)		
	1 ' /		

	Activities	Conditions	Incentives
	Manufacture of intermediate	1. Intermediate steel with continuous	A2
S	steel, i.e. Slab, Billet and Bloom		
		manufacturing of up-stream steel in	
		the same project	A 4
20.1	Manufacture of down-stream	2. Intermediate steel production only	A4
	steel		
	2.9.1 Manufacture of High	The value of Ultimate Tensile Strength	A2
	Tensile Strength Steel	(UTS) of product must exceed 700 MPa	112
2	2.9.2 Manufacture of down-	(0 - 2) - F 22 - 2 - 2 - 2 - 2	A2
	stream steel with		
	continuous production		
	process from		
	manufacturing of		
	upstream and		
	intermediate steel within	1	
	the same project	1	A 4
2	2.9.3 Manufacture of long st		A4
	products for industrial i.e. steel wire rods, wire		
	shafts and bars	5,	
	2.9.4 Manufacture of long st	el	B1
_	products for construction		D 1
	use, i.e. steel wire rods.		
	wires, shafts and bars		
2	2.9.5 Manufacture of flat rol	ed	A4
	steel products for		
	industrial use, i.e. hot o		
	cold rolled stainless ste		
	sheets, steel plates, hot	or	
	cold rolled steel sheets		
,	and coated steel sheets 2.9.6 Manufacture of flat roll	ad l	B1
1	steel products for	eu	DI
	construction use, i.e. ho		
	or cold rolled stainless		
	steel sheets, steel plates		
	hot or cold rolled steel		
	sheets and coated steel		
	sheets		
	2.9.7 Manufacture of Tin Mil		A3
	Black Plate		
	2.9.8 Manufacture of Cold-	Non-oriented (NO) and Grain-Oriented	A3
	Rolled Electrical Steel	(GO) only	
2 10 7	Sheet Manufacture of steel pines or		
	Manufacture of steel pipes or		
	stainless steel pipes 2.10.1 Seamless steel pipes an	1	A3
	semi-seamless steel pipes an		ΔJ
	beim beamiess steel pip		

Activities	Conditions	Incentives
2.10.2 Other steel pipes		B1
2.11 Manufacture of metal powder (except Shot Blasting)		A3
2.12 Manufacture of ferro-alloy		A4
2.13 Manufacture of cast iron/steel parts	Projects must use induction furnace in the production process	
2.13.1 Ductile cast steel parts		A2
2.13.2 Other cast steel parts		A3
2.14 Manufacture of forged iron/steel parts		A3
2.15 Rolling, drawing, casting or forging of non-ferrous metals		A4
2.16 Coil center	Not eligible for merit-based incentives	B2
