| 13 | | | | | 513.7 | 133.6 | 18.2 | 104.4 | 11.0 | | | | | |

Note: 1) Australian investment projects refer to projects with Australian capital of at least 10%.

2) Registered capital figures shown in the table refer to "increased registered capital amount" (not register capital of the whole company) for projects applying for BOI investment promotion which can be either new or expansion projects. In many cases, firms do not put in new capitals for their expansion projects.
