The Office of the Board of Investment announcement on  
Flood relief measures for plant operators  
-----

Presently, there has been serious flooding in many areas, which creates significant damage to factories and business operations. In order to help support BOI-promoted companies which are already affected or might be affected by flooding, the OBOI would like to announce that those who would like to move machinery or raw materials, or would like to seek other kind of help from OBOI, please directly contact the investment promotion bureau that looks after your project(s), at the following telephone numbers:

Investment Promotion Bureau 1 (agricultural and light industries)

02 553 8298 (Khun Sithee Tanboontek)

Investment Promotion Bureau 2 (metals, machinery, and automotive industries)

02 553 8366 (Khun Anin Meksuksai)

Investment Promotion Bureau 3 (electronics and electrical appliances industries)

02 553 8167 (Khun Tanavadee Khuvasanont)

Investment Promotion Bureau 4 (chemicals, papers, plastics, and high value added services)

02 553 8294 (Khun Wuttichai Pisatphen)

Companies may contact the BOI office for help every day, including weekends. If any emergency occurs, BOI promoted companies may inform the BOI after moving machinery and raw materials out of the flood-affected areas.

Announced on October 7, 2011
