**BOARD OF INVESTMENT
APPLICATION FOR PROMOTION**

CATEGORYACTIVITY.....

1. Applicant

1.1 In case a juristic is not established:

Name of applicant Age years Nationality

Identification Number

or Passport Number Country of Issue.....

Address No.....Street Tambon..... Amphoe.....

ProvinceCountry.....Zip Code.....Telephone.....Mobile.....

Facsimile.....E-mail:

(Please attach applicant's background and business profile)

1.2 In case the juristic is established:

Name of established company/cooperative/foundation (in Thai)

Name in English

Company registration No. Registration Date

Registered capitalBaht Paid-up capitalBaht

Address of the officeStreet..... Tambon.....

Amphoe.....Province.....Zip Code

Telephone.....Mobile.....Facsimile.....

E-mail:Website

(Please attach the latest financial statement – if available)

1.3 Name of the applicant (if available – please attached historic records details of past businesses)

Parent Company/Company Group..... Year of Establishment.....

Type of business..... Location of Parent Company City..... Country.....

Parent Company/Company Group total employee..... Revenue from past years..... Million Bht.

1.4 Name of representative to contact on matters related to this application

Address..... Street..... Tambon.....

Amphoe..... Province..... Zip code.....

Telephone..... Mobile..... Facsimile..... E-mail:.....

1.5 Shareholding Structure : Percentage of Thai Nationality Natural Person/juristic Person..... %

Percentage of Foreign Nationals: Natural Person/Juristic Person: Nationality.....holding% of shares
 Nationality.....holding% of shares; Other Nationality.....holding% of shares

Name list of shareholder/co-investor, from majority to minority shareholder (only those holding shares more than 10 percent)

Name of Shareholder/co-investor	Nationality	Shareholding Percentage

1.6 Juristic person’s employment statistics in the past three years (If the juristic person is not established, please go to No.2)

Employment	Year		
	20.....	20.....	20.....
No. of Thai employees (persons)			
No. of foreign employees (persons)			

1.7 If the juristic person has commenced operations, please the indicate the production capacity and performance of both Promoted and non-promoted activities for the past three years.

(Unit: Million Baht)

Year	Product	Maximum production capacity per year	Actual production	Domestic sales		Exports	
				Quantity	Value	Quantity	Value
20.....							
20.....							
20.....							

Note : 1) Domestic Sales include indirect exports.

1.8 Net Profit for the past three years

(Unit: million Baht)

Year	20.....	20.....	20.....
Net Profit (Loss)			

2. Finances and Investment Plan

2.1 Finances

(Unit: Million Baht)

2.1.1 Registered Capital

- Juristic person to be established will have registered capital of million Baht
and will fund this project from paid-in share capital of million Baht
- Juristic person which already operates
 - will fund this project from retained earnings of million Baht
 - will increase the registered capital bymillion Baht
and will fund this project from paid-in share capital of million Baht

2.1.2 Loans

- Domestic loans
- Foreign loans
- Credit from domestic suppliers
- Credit from foreign suppliers
- Total** (Must equal the grand total investment figure indicated in No. 2.2)

2.2 Investment

(Unit: Million Baht)

- 1) Cost of construction or rent for a period of longer than 3 years
- 2) Cost of machinery or rent for a period of longer than 1 year:
 - 2.1) New locally-purchased machinery
 - 2.2) New imported machinery
 - 2.3) Used imported machinery
 - 2.3.1) Not exceeding 5 years
 - 2.3.2) Exceeding 5 years but not exceeding 10 years
 - 2.3.3) Exceeding 10 years (only for relocation case)
- 3) Cost of Installation
- 4) Cost of test-run
- Total Investment (excluding cost of land and working capital)**
(For an expansion project, combine costs from 1 to 4)
- 5) Preliminary expenses
- 6) Value of other assets
- Total Investment (excluding cost of land and working capital)**
(For a newly-established company, combine costs from 1 to 6)
- 7) Cost of land
- 8) Cost of expertise
- 9) Working capital
- Grand Total** (Combine costs from 1 to 9)

Total Value								
Total								

Notes: 1) Please use CIF price for imported machinery & equipment and contracted price for locally purchased machinery & equipment

2) In case of import used machinery exceeding 5 years, please specify the list of machinery under every item.
Attached document is allowed

4.6 Environmental protection plan

Type of Waste		Quantity/day	Treatment Methods
Solid Waste	-		
	-		
Waste water	-	m3	
	-	m3	
Dust/air pollution	-		
	-		

- Please choose (if any) Project is subject to obtain ESA / EIA / EHIA approval
- Expansion of existing project with ISO 14000 certification (or other equivalent standards) (Please attach a copy of certificate)
- Not yet received ISO 14000 certification but expected to obtain such certification within (Please specify period of time)

Notes: Activities in the following categories complete a preliminary environmental impact evaluation form (F PA PP 15) as an attachment:

1.5.2, 1.6, 1.9, 1.10, 1.13, 1.14, 1.15, 1.16, 1.17, 2.2, 2.7, 2.8, 2.9, 2.10, 2.11, 2.12, 2.13, 2.14, 2.15, 3.1 (only with bleaching & dyeing process), 4.2, 4.3, 4.9, 5.2.5 (only the manufacture of batteries), 5.4.2, 5.5, 6.1, 6.2, 6.3, 6.4, 6.5, 6.8, 6.9, 6.10, 6.11, 6.12, 7.1.1, 7.17, and 7.18.

5. Employment: Employment attributes of this project in the third year of operation

Position	Educational level (Person)						Total
	Bachelor degree and above		Certificate/diploma of vocational education		Other		
	Thai	Foreign (Nationality)	Thai	Foreign (Nationality)	Thai	Foreign (Nationality)	
Management personnel							
Technical specialists							
Supervisory staff							
Office and clerical staff							
Skilled and semi-skilled workers							
Unskilled workers							
Total							

6. Market

6.1 Market plan

Market plan	Domestic sale	Indirect export sale	Direct export sale
Sale ratio (%)			

Notes: Domestic market sale refers to sale to domestic customers for domestic use only.
 Indirect export refers to sale to domestic customers for production of exports, including the sale to domestic traders for export.
 Direct export refers to direct sale to overseas customers.

6.2 Major customers

Domestic customers	1..... 2.....
Indirect export	1..... 2.....
Direct export	1.....Country..... 2.....Country.....

7. Operation Plan

7.1 Production plan (Supplementary sheets may be attached if additional space is required)

- will start purchasing/construct/reconstruct/rent factory building/operation site. Month..... Year.....
 - Using the same building with the existing project
- Machinery will start purchasing machinery locally/overseas. Month..... Year.....
- Production will start producing in Month..... Year.....

7.2 Production plan (Supplementary sheets may be attached if additional space is required)

Product(s)	Unit	Production Quantity		
		1 st year	2 nd year	3 rd year

7.3 Main Raw Materials needed for production for the first three years of operation (in accordance with the production quantity as specified in No. 7.1) (Value unit: Million Baht)

List of raw materials	Unit	1 st year		2 nd year		3 rd year	
		Quantity	Value	Quantity	Value	Quantity	Value

Profit			

9. Merits of the project (if any – supplementary sheets may be attached if additional space is required)

9.1 Technological development

- This project involves research and development of a new product. Please explain
- This project involves research and development/modernization of a production process. Please explain.
- This project involves the usage of new/modern technology. Please explain.
- This project involves the transfer of a technology plan. Please explain.
- This project involves collaboration with research/educational institutes, namely,
in the field of
- Others

9.2 Human resources development

- This project has a training plan. Please explain.

9.3 Development of local suppliers with at least 51% Thai shareholding (e.g. training, technical assistance)

- This project has a Local Supplier development plan. Please explain.

9.4 Energy-saving measure(s)

- This project has energy-saving measure(s) incorporated into the production process that reduce the use of energy as follows:
 - Electricity and light. Please explain method
 - Fuel. Please explain method.....
 - Water. Please explain method.....
 - Other. Please explain method.....
- This project uses alternative energy from.....
- Other measures. Please explain.....

10. Please fill in the additional information of each activity for consideration.

11. Please propose the date and time the applicant would like to set up an application interview session at the Office of the Board of Investment

Proposed application interview session ¹⁾	
Date.....	Time..... or
Date.....	Time..... or
Date.....	Time.....

Notes: 1) Application interview session must be scheduled within 10 days of application submission. If the applicant cannot attend an interview within 10 days of submitting this application, please attach a detailed explanation of those circumstances that prevented compliance with the aforementioned requirement.

I hereby declare that the information contained herein is true and accurate and the estimates provided are, in my opinion, the most reasonable possible.
