2ND LOW CARBON
DATA CENTRES

16 - 17 JUNE 2026 | BANGKOK

SUPPORTING ORGANISATION

Thailand Board of Investment is pleased to support the 2nd Low Carbon Data Centres conference happening in Bangkok on the 16-17th June 2026.

Keynote Speech

Investing in Thailand's Digital-Green Future: Role of the Board of Investment in Enabling the New Economy

**Suthiket Thatpitak-Kul, Deputy Secretary General,
Board of Investment of Thailand (BOI)**

Thailand is fast becoming one of Southeast Asia's most compelling destinations for low-carbon data centre investment — and the country's Board of Investment is at the heart of making that happen.

Find out:

- BOI incentives and infrastructure support
 - BOI approvals, sectors with growth, and how BOI is addressing talent and regulatory hurdles
 - Green transformation and sustainability - where BOI's bio-circular green strategy overlaps the powering of data centres
- This is a must-attend session for investors, operators, and developers looking to understand the policy landscape and capitalise on Thailand's rapidly growing digital economy.
