

NEW

Investment Acceleration Measure 2022

50%
CIT reduction
for **5 years**

on top of the
standard package

Significant Conditions:

1. Must be activities eligible for 5-8 years of CIT exemption (Group A1, A2 and A3)
2. **Except** activities with no specific locations and those required to be located in the southern border provinces or Special Economic Zones (SEZ) (not entitled to 50% CIT reduction)

The qualified projects must submit evidence of actual investments to apply for additional benefits

within 18 months from the issuance of investment promotion certificate

On the submission date of an application for additional benefits, the CIT exemption benefits must remain of both periods and amount

Actual investments of not less than **1 billion baht** within 12 months from the issuance of investment promotion certificate

No extension of the deadline for the acceptance of investment promotion and the issuance of investment promotion certificate

Eligible projects for investment promotion under this measure must be the projects applied **within 2022 only**

Qualified projects must be submitted applications by the **last working day of 2022**

As of January 2022
