

Newly Adjusted BOI Organization As of September 1, 2022

Introducing two newly established divisions to improve service efficiency, strengthen competitiveness, and streamline the process for investors:

Expatriate Services Division

- ✓ Enhance the operations of the One Stop Service Center for Visa and Work Permit to serve a broader range of foreigners.
- ✓ Provide integrated access to e-service for all targeted groups at a single location.
- ✓ Effectively facilitate international personnel to live and work in the target industries, contributing to economic and social benefits.

Competitiveness Enhancement Division

- ✓ Implement strategies, policies, and administration of the Fund under the National Competitiveness Enhancement for Targeted Industries Act.
- ✓ Effectively promote the use of the Fund as a tool for strengthening competitiveness and attracting strategic investments that will benefit the country's economic and industrial development.
- ✓ Promote and support investment in technology development and transfer.
