

encourages promoted companies to list on SET mai

to develop the potential of entrepreneurs and enhance their ability to access sources of fund

Application submission for additional incentive within the last working day of 2022

Significant Conditions

Projects which have been granted BOI promotion can apply for this incentive although they have started to generate income

1

But they still have valid CIT exemption rights.

Must be listed on SET or mai before submitting the applications for promotion under this measure

2

Additional 100% CIT exemption

on the value of investment (excluding cost of land and working capital)

EXCEPT

The companies which have **already** been listed on SET/mai before the announcement of the measure **are not eligible to apply for this incentive.**
