Announcement of the Office of the Board of Investment

No. Por. 1/2569

Eligibility Criteria for Participation in the Investment Acceleration Program (Thailand FastPass)

To accelerate investment and resolve constraints affecting investment through the facilitation of approvals and permits, thereby expediting project implementation, which will lead to economic growth, enhanced competitiveness, coupled with employment generation and Thai workforce development;

By virtue of Section 11 and Section 13 of the Investment Promotion Act B.E. 2520 (1977), and in accordance with the resolution of the Board of Investment Meeting No. 3/2568 on December 11, 2025, the Office of the Board of Investment, as authorized by the Board of Investment, hereby issues the announcement prescribing the qualifications of projects eligible for consideration for selection under the Investment Acceleration Program (Thailand FastPass) as follows:

1. The project must have already submitted an application for investment promotion.
2. The project must have a capital investment of at least 1,000 million baht (excluding land costs and working capital).
3. The project must operate business in targeted industries, utilize advanced technology, and be eligible for corporate income tax exemption for at least 8 years, such as activities in biotechnology, electric vehicles and key components, semiconductors and advanced electronics, digital technology and artificial intelligence, etc.
4. The project must deliver substantial economic benefits, including employment of Thai personnel, integration with domestic supply chains, and enhancement of technological capabilities.
5. Projects granted Thailand FastPass certificates under this announcement are entitled to services under the Thailand FastPass program for 2 years. Selected projects must invest at least 20% of the total investment value within 6 months from the date of receiving the Thailand FastPass certificate. Failure to comply with the requirement will result in the revocation of such privileges, except where the cause is attributable to government agencies, in which case it will be considered on a case-by-case basis.
