

Tax & Regulatory Updates

Cambodia - Myanmar - Vietnam - Indonesia

EY Office (Lake Rajada Office Complex)
7 November 2019

New investment and business expansion to Cambodia, Myanmar, Vietnam and Indonesia have gained an increasing attention by Thai investors in light of competitive labor cost, burgeoning consumer base, and strategic locations. Yet, a navigation through unfamiliar territories can be challenging.

Listen in and participate live in our plenary panel discussion by our experienced tax professionals, stay abreast of constantly changing investment climate, get yourself up to speed with current regulatory environment and up-to-date incentives, and be aware of issues to enable your company effectively manage overall tax risks.

9.00 a.m. - 9.30 a.m. Registration

- ▶ EY Office, 34th Floor Lake Rajada Office Complex (MRT: Sukhumvit Station / BTS: Asoke Station)
(Due to limited parking space, we strongly encourage you to take public transportation)
- ▶ Coffee, tea and snack

9.30 a.m. - 12.00 p.m. Plenary panel discussions

Our panel of EY tax professionals actively discuss the issues to be considered for investment in Cambodia, Myanmar, Vietnam and Indonesia, hot topics and updates on tax and regulatory, expected future legislative developments in these countries and how the change of international tax environment would impact the investment. The panel will also discuss the possible tax efficient structures for investment in those countries with subsequent profit repatriation to Thailand.
